

# San Diego Ship Modelers' Guild

Volume 4 Number 12

December 12, 1980

## Notes From November Meeting

John Woodard prefaced the meeting with his usual 7:30 talk on steam. For those who are interested John is talking about an additional extension meeting once a month for a more in depth study of steam.

The new Round Table format for meeting seemed to meet with everyones approval and will probably be continued in the future meetings.

Bob Brady and Ted Pugh have been "volunteered" for future lectures and demonstrations on planking and framing for the January and February meetings.

One question that went unsolved from the meeting.... does anyone have any good sorces for wood? If so drop us a line or pass the word for the next meeting.

The new format seemed to lend itself to better and fuller discussion of the models present and hopefully will encourage more models to be present.

## Models Present:

Monterey Fisher	G. Kelsch	Frontal adaptions
USS Missouri	A. Lheureux	Torrets, props, 40mm
C.W. Morgan Whaler Tooth	V. Crosby	Bottle, no kit
Mayflower II	R. Lloyd	Bottle
Owen	G.S. Oliver	Frane and planked hull
Victory Section	J. Woodard	kit
American Enterprize	R. Scott	Dumas kit
American Enterprize	B. Ross	Dumas kit
Santiago	G. Jones	solid wood hull
Krabbenkutter	D. McFarland	Billings kit

## December Meeting

The annual Christmas will be aboard the Star of India. It's the most beautiful party any outfit in San Diego can have so be sure to join us this year. The festivities will begin at 8:00 and any contributions to the eatables will be appreciated. Keep it simple and come to have a good time. If you can talk him into a dinner out that night we will see you about 8:30. Don't forget the party goodies.

## Election of Officers

Doug McFarland and John Woodard have been nominated for the office of President. Watch for your ballot in the next issue of the Newsletter.

## Holiday Greetings

From Kathy and myself the best of the holidays to you all and a prosperous New Year. See you all at the party.
