

# San Diego Ship Modelers' Guild

Volume 7, #5

May 1983

May Meeting. May 20, 1983

SPECIAL NOTE: We will gather at 7:45 so we can take a group picture on the fo'c'sle.

At our business meeting we will set up our regatta committee, so bring all those ideas and comments you have on the regatta. We will need your opinions and information to respond to some recent correspondence. Doug McFarland promises something different and new for his show and tell.

Fred Fraas has spoken to Loren Perry who says he will come down to one of our meetings in the near future. When he does he will bring his famous LONG BEACH and his TITANIC. This will be an event not to be missed. A good way to make sure you see him is to come to all our upcoming meetings.

## Model Ship Donated

DANA POINT—Myron Van Ness, local model builder and one of the founders of the Nautical Heritage Museum here, has donated his newest model to the Museum's collection.

The ship, which took nine months to build, is a model of the record setting American clipper ship *Sea Witch*.

According to Museum director Steve Christman, the 64-inch model will be joining other Van Ness-built ships in the Museum's West Coast display.
