P.O. BOX 6725, SAN DIEGO, CA. 92106

VOLUME 10 NUMBER 7 JULY 1986

Guild Birthday Party

The Guild egg hatched onboard the "STAR" in 1971. Bob Wright and the late Russ Merrill were the founding fathers. Russ owned and operated Hillcrest Hobby shop and Bob was the night watch on the Star of India. Little did they know that it would grow to 95 members in 15 years. (7 more joined up at the regatta).

The regatta was a smashing success under the direction of Commodore Bob O'Brien. The crew had 72 registrations to handle (up from 59 last year). Thanks to all who helped

with the many details that are a part of any successful regatta. Bob also said the following:

I would especially like to thank all the Club members for helping out in the setting up that morning and breaking down in the evening. Joe and Sam Bompensiero were a big help in that they picked up the tables at the Museum Friday and took them to the Pond for storage. They also picked them up next week and returned them to the Museum. Joe's truck came in real handy.

I also want to thank my wife for donating some 19 door prizes for the ladies that day. Pat McFarland also made a contribution of a gift.

The list of winners and donors of prizes will be found on other pages.

The Guild Birthday Party will start at 8 PM on the main deck of the STAR weather permitting. As in the past the Guild supplies the grog and the members hav brought goodies such as dips, cookies, chips. The gathering is allways informal so dress comfortable and enjoy the comradship of your fellow modelers and their mates.

How could the regatta get along with out me? From all reports it was even better than last year so I don't feel so bad about motorhome-ing thru Sothern Utah when all others were hard at work on the regatta. When all you folks were enjoying the bar-B-Q we were setting up camp in St. George Utah. We covered 1600 mi. of beautiful country going thru Zion, Bryce Canyon, Escalante Canyon and then up 9000 ft. to Boulder. I plan to be at the 1987 Regatta which will be Saturday June 20. Volunteers anybody!

The newsletter format has change for this issue due to all regatta info which is of interest to all you competitors. Back to normal next month.

The Floating Drydock	\$50 gift certificate	Royce Privette (SDSMG)

The San Diego Ship Modelers Guild

The San Diego Ship Modelers Guild is a group of people dedicated to the principle of improvement in the crafts and skills of our membership in ship modeling. We accomplish this by holding informal meetings aboard the San Diego Maritime Museum ship "Star of India" on the third Friday of each month at 8:00 pm. Our motto is "Bring a Model" to which many of our members are quite faithful. Many ideas, helpful hints and methods of accomplishment are exchanged during informal discussions about the models present.

The Guild sponsors one major event each year, a Radio Controlled Regatta and Static Display Contest in June, held at the San Diego Model yacht basin in Mission Bay. Modelers come from as far away as San Francisco, California and many come from the Los Angeles area. The caliber of modeling has been extremely high.

One benefit of the guild is the monthly newsletter with items of upcoming events, craft tips and related articles. For this we trade newsletters with other guilds such as New York and Los Angeles.

If you are interested in becoming a member of the guild, you are cordially invited to attend one of our meetings aboard the "Star" (simply inform the attendant that you wish to attend the meeting and he will direct you to the location).
