My Perspective

By Daniel "Pappy" LePage

Shipmates, as the Regatta Commodore I have encountered some interesting situations; complacency, closed ears, and lost initiative to name a few. We go along with our life and do not take notice of what is going on around us. So when things happen, (REMEMBER THE ARIZONA), we bitch, complain, yell, etc. Now things that we once took for granted are not what they really are. Take for example, SDMC 63.02.13, (see attachment). This regulation and the rest of them regulate what can be done while at any public park. The things that we have done for years can not be done legally. Some say, "just do it anyway. They will look the other way. They haven't enforced it yet". Well what happens when they do enforce it? Who takes the heat? Let me tell you it will be all the modelers that use the pond and the surrounding area. Why the use permit? With out it anyone that wants to run his boat while any of the clubs are having a function at the pond can do so and we do not have the right to ask them to leave. In order to get things changed so we can operate at the pond all the model clubs that use the pond are going to have to speak with the Park Authority in a united front.

There are those out there that question why we need to be organized, deal with issues, talk about business at meetings, breathe, live, etc. By God, San Diego Ship Modeler's Guild is WORTH THE FIGHT. The Guild has had a few people that have run the club and made things happen. Some of them are gone. Some are just burned out. Because the Guild was run so loosely with not enough attention being paid to business there will be some rough seas ahead. We have to be ready to weather them.

There are those that would like the meetings to have less business and more modeling tips. If that is the case then why is it so hard for the newsletter editor to get articles for the newsletter? When his job took him away he asked for help with the newsletter. Why did no one speak up to help? Why is it so hard to find where to get the items like letter heads, guild logos, etc? These are all questions that have to be asked and the answers are vague at times. The guild has taken a new course. Change, the one thing no one likes to do, is upon us. It will be interesting to see where this leads. I expect that the Guild will come out far ahead and will be stronger because of the new course upon which we are embarking.

RULES AND REGULATIONS GOVERNING PARK USE PERMITS

3. Cleanup and proper disposal of litter and debris generated by participants in the activity is the responsibility of the Permittee. Please place refuse in the dumpsters in the park for disposal. Failure to provide adequate cleanup could result in the Permittee being required to post a bond for cleanup to obtain a permit for a future event.
4. Staging, platforms, etc., shall not damage turf or shrubbery.
5. Picking flowers or damaging shrubs, plants and trees is prohibited in accordance with SDMC Sections 63.02.4 and 63.02.6.

8. Dogs are not permitted on the beach or adjacent park areas between 9:00 a.m. and 6:00 p.m. Before 9:00 a.m. or after 6:00 p.m., dogs are allowed if on a leash. Dogs are allowed at any hour at Fiesta Island and the Flood Control Channel (North Ocean Beach) in accordance with SDMC Section 63.20.12.

Provided, however, that the permittee/lessee shall not be precluded from providing a forum for open public debate by candidates such as occurs at a "candidate forum" and similar events.

THIS MONTH WE HAVE A LOT OF PREPARATIONS TO ATTEND TO WITH THE REGATTA TAKING PLACE JUNE 20TH & 21ST. ALL THE FINAL DETAILS ARE BEING TESTED. BUTTON DOWN, AND MADE READY FOR THE 1992 JUNE SHOW..... HERE'S WHERE WE DISPLAY OUR CRAFT AT IT'S BEST; RE-MAKE ACQUAINTANCES, BRAG A LITTLE AND JUST HAVE FUN.

HAS BEEN INVITED TO THE FAIR AS WE HAD LAST YEAR BUT DUE TO OUR JUNE REGATTA AND THE DEL MAR FAIR START UP TIMES THERE IS SOME CONFLICT HERE, WHICH BRINGS ME TO A MOTION THAT WAS MADE AT THE LAST GUILD MEETING TO CHANGE THE REGATTA DATE STARTING NEXT YEAR TO SOME OTHER MONTH.

THERE IS SOME TALK OF HAVING OUR JULY MEETING (PARTY MEETING) ABOARD A SAIL BOAT AND CRUISE THE BAY FOR A COUPLE OF HOURS THIS WILL BE VOTED ON AT THE JUNE MEETING ALSO. A VOTE WAS PASSED TO USE SOME OF THE FUNDS FROM THE GUILD TO PURCHASE A NAUTICAL CLOCK FOR VIC CROSBY AS A THANK YOU FOR ALL THE YEARS OF HELP AND COOPERATION TO OUR LITTLE GROUP....

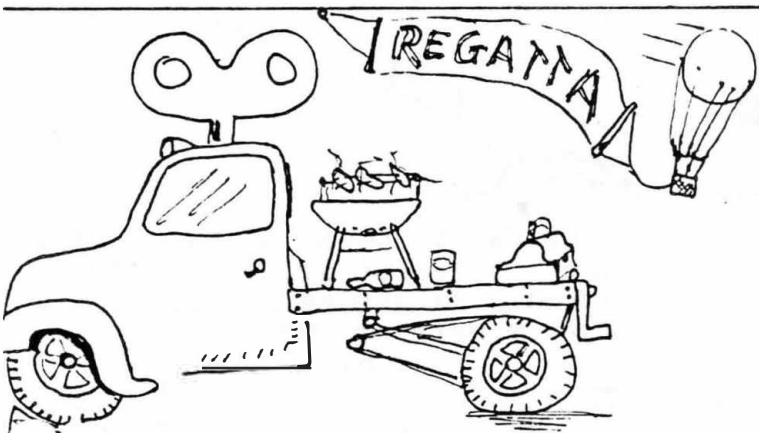

IN TALKING TO OUR 1992 REGATTA COMMODORE I HAVE BEEN INFORMED OF A VERY IMPORTANT VOTE THAT IS TO TAKE PLACED AT OUR JUNE MEETING-----AN THIS VOTE IS ONE FOR ALL S.D.S.M.G. MEMBERS TO DECIDE WHETHER THE GUILD IS TO SPLIT UP INTO TWO CLUB'S STATIC AND R/C OR ONE CLUB WITH TWO FORMAT'S, TO ME THIS IS ALL VERY CHILDISH AND I'LL SOON RATHER DROP THE WHOLE THING; BUT IT WILL JUST HAVE SOME ONE ELSE TO INHERIT THE HEADACHE. I FEEL WE ARE IN FOR A LIVELY DISCUSSION----I WONDER IF SOMETHING LIKE THIS HAPPEN WHEN THE AGE OF SAIL WAS BEING OVER TAKEN BY THE AGE OF STEAM, HUMM???!

I WISH TO ENCOURAGE ALL OF THE MEMBERS TO MEET ABOARD THE FERRY BERKELEY ON JUNE 18TH AT 7:30PM FOR ONLY YOU CAN DECIDE AND ONLY YOU CAN VOTE FOR WHAT THE WANT----BE AT THE MEETING OR BE FOREVER QUITE.....

MIKE
